A Message from Montana Secretary of State Linda McCulloch

The Constitution of the State of Montana guarantees the people the right to enact laws by initiative on all matters except appropriations of money and local or special laws. The Constitution also guarantees the people the right to approve or reject by referendum any act of the Legislature except an appropriation of money.

This publication provides a description of the process to enact laws by initiative or to submit an act of the Legislature to a vote of the people.

Please visit our website at sos.mt.gov for more information about ballot issues, elections, and voting.

Linda McCulloch

BEFORE YOU BEGIN

Please Note: The most up-to-date information on ballot issue process is on the Secretary of State's website at sos.mt.gov/Elections. It is the responsibility of the ballot issue sponsor to ensure that all applicable laws are followed, including laws governing signature gathering activities and any deadline requirements. In addition to the information in these Guidelines, each ballot issue sponsor should periodically research the SOS website, as well as review Title 13, Chapter 27 MCA and Article III, Article IV and Article XIV of the Montana Constitution in their entirety.

If necessary, please consult with a private attorney for questions about the information provided in these Guidelines. The information presented here is meant to assist interested users with a process that can be complicated and may require legal assistance.

WHAT TYPES OF BALLOT ISSUES ARE THERE?

Initiative. An initiative is a proposal by petition to enact a new law or revise a current law by a vote of the people on any matter except the appropriation of money, or local or special laws. If, subject to applicable laws and deadlines, the petitions are signed by the required number of electors, the proposed initiative must be submitted to the qualified electors.

Referendum. A referendum is a proposal by which the people, by their majority vote, can approve or reject a previously enacted statute, except an appropriation of money. A referendum may be originated by the Legislature itself or by the people.

By the Legislature. At the time a piece of legislation is considered, a majority of each house of the Legislature may decide to have its action ratified by a vote of the people. This is referred to as a legislative referendum.

By the people. After the Legislature enacts a statute, the people may petition to refer such statute to a vote of the people. This is referred to as an initiative referendum. If, subject to applicable laws and deadlines, the petitions are signed by the required number of electors, the proposed initiative referendum must be submitted to the qualified electors.

If initiative referendum petitioners desire to render an enacted statute inoperative pending a vote, a petition containing a greater number of signatures is required. If so suspended, the act becomes operative only if and after it is approved at an election.

Constitutional Amendment. A constitutional amendment is a proposal originated by either the Legislature or the people to change the constitution.

By the Legislature. Amendments may be proposed by any member of the Legislature. These are referred to as constitutional amendments. They must be adopted by an affirmative vote of two-thirds of all the legislative members in order to be submitted to the qualified electors.

By the people. Amendments may be proposed by initiative. These are referred to as constitutional initiatives. If the petitions are signed by the required number of electors, the proposed amendment must be submitted to the qualified electors.

Constitutional Convention. A question on whether to hold an unlimited constitutional convention to revise, alter or amend the constitution may be originated by either the Legislature or the people.

By the Legislature. The Legislature, by an affirmative vote of two-thirds of all the members, may at any time submit to the qualified electors the question of whether there will be a constitutional convention.

By the people. The people may, by petition, direct the Secretary of State to submit to the qualified electors the question of whether there will be a constitutional convention. If, subject to applicable laws and deadlines, the petitions are signed by the required number of electors, the proposed convention call must be submitted to the qualified electors.

By statute. Pursuant to the Constitution and state law, the Secretary of State shall cause the question of holding an unlimited constitutional convention to be placed on the ballot in each 20th year following its last submission.

WHEN IS THE ELECTION HELD?

Except when the Legislature orders a special election on a legislative referendum, elections on all types of statewide ballot measures are held with a statewide general election, on the first Tuesday after the first Monday in November. Check the constitution and statutory references for specific provisions.

GETTING STARTED

SUBMISSION OF TEXT FOR REVIEW AND RECOMMENDATIONS

- a. The sponsor submits the text of the ballot issue and ballot statements to the Secretary of State at soselections@mt.gov who will forward the text to the Legislative Services Division for review. The Legislative Services staff will review the text and statements as required by law.
- b. Within 14 days after receiving the proposal, the Legislative Services staff must make recommendations for changes in the text or a statement that no changes are recommended. The person submitting the text must consider the recommendations and respond in writing to Legislative Services *accepting, rejecting or modifying* each recommended change. If no changes are recommended, no response is required. There is no statutory deadline to respond to the review by Legislative Services, but the response must be submitted to Legislative Services before the ballot issue can proceed to the next step in the review process.
- c. The Legislative Services staff will furnish a copy of the correspondence to the Secretary of State, who will make a copy available to any person upon request.

SUBMISSION OF FINAL TEXT AND BALLOT STATEMENTS FOR APPROVAL

- a. After responding to Legislative Services, the sponsor submits a sample sheet containing the final text of the proposed measure and ballot statements to the [Secretary of State](#) in the form in which they will be circulated. The sponsor may not circulate the sample petition for signatures more than 1 year prior to the final date for filing the signed *constitutional or statutory initiative* petitions with the county election administrators. (By contrast, there is no earliest date in law for *initiative referenda* petitions to be circulated for signatures, after the petition form is issued as provided by law.)
 - i. The Secretary of State shall reject the proposed issue if the text or a ballot statement contains material not submitted to the Legislative Services Division that is a substantive change not recommended by the Legislative Services Division.
- b. The Secretary of State refers a copy of the petition with the text and ballot statements as submitted after Legislative Services review to the Attorney General for review. The Attorney General checks it for legal sufficiency. If the Attorney General determines that a proposed issue is legally sufficient but that the ballot statements clearly do not comply with legal requirements, the Attorney General prepares statements that comply with applicable requirements and forwards them to the Secretary of State. The review by the Attorney

General must be completed within 30 days of when the Attorney General receives the draft ballot issue from the Secretary of State.

- c. If the Attorney General approves the proposed issue, the Secretary of State sends to the person submitting the proposed issue the text of the proposed issue, the statement of purpose and implication and the “Yes” and “No” statements, as prepared by the sponsor, reviewed by the Legislative Services Division, and approved or revised by the Attorney General. If the Attorney General rejects the ballot issue, the Attorney General specifies the reasons for rejection.

EXPLANATORY AND “YES” AND “NO” STATEMENTS

Note: Effective January 1, 2013, the format of the “yes” and “no” statements that appear on the petition and on the ballot has changed.

- a. Ballot statements may be drafted by the sponsor, and must include:
 1. a statement, not to exceed 135 words, explaining the purpose and implication of the measure, and
 2. “Yes” and “No” statements, in the following form:
[] YES (insert the type of ballot issue and its number)
[] NO (insert the type of ballot issue and its number)
- b. If the Attorney General determines in writing that a ballot statement submitted by a sponsor clearly does not comply with legal requirements, the Attorney General will prepare a statement that complies with the requirements, forward that statement to the Secretary of State as the approved statement, and provide a copy to the petitioner. The statement of purpose and implication prepared is the petition title for the measure circulated by the petition and the ballot title if the measure is placed on the ballot.
- c. The “Yes” and “No” statements are used on the petition and on the ballot if the measure is placed on the ballot. The statements must be written so that a positive vote indicates support for the issue and a negative vote indicates opposition.

PREPARATION OF FISCAL STATEMENT

- a. The Attorney General will order a fiscal statement if the proposed ballot issue has an effect on the revenue, expenditures or the fiscal liability of the state. The State budget director, in cooperation with the agency or agencies affected by the petition, is responsible for preparing the fiscal note and returning it to the Attorney General within 10 days.
- b. If a fiscal note is prepared for the proposed ballot issue, the Attorney General will prepare a fiscal statement which is to be used on the petition and on the ballot if the measure is placed on the ballot.

COLLECTING AND SUBMITTING SIGNATURES

See “Instructions on Statewide Ballot Issue Signature Gathering” included in Appendix. Each signature gatherer should be provided with a copy of the “Instructions on Statewide Ballot Issue Signature Gathering.” Additionally, an electronic training presentation for signature gatherers is available on the Secretary of State’s website, sos.mt.gov.

I. NUMBER OF SIGNATURES REQUIRED

For an initiative or referendum, the number of qualified electors required in each legislative representative district and in the state is determined by the number of votes cast for the office of governor in the most recent gubernatorial election.

- i. An act referred to the people is in effect until suspended by referendum petitions signed by at least fifteen percent (15%) of the qualified electors in each of at least 51 legislative representative districts.

Calling a Constitutional Convention:

- i. For calling a constitutional convention, the petition must be signed by at least ten percent (10%) of the qualified electors in the state at large, including at least ten percent (10%) in each of at least two-fifths (40) of the legislative representative districts.

II. DEADLINES FOR SUBMISSION AND FILING OF PETITION SHEETS

*(See calendar in **Appendix** for applicable dates and statutory references.)*

(Visit sos.mt.gov/elections for contact information.)

- a. *Constitutional Initiatives and Statutory Initiatives.* Signed sheets or sections of petitions must be submitted to county election administrators no sooner than 9 months and no later than 4 weeks before the final date for filing the petition with the Secretary of State.
- b. *Referendum Petitions.* Signed sheets or sections of petitions must be submitted to county election administrators not later than 5 months after adjournment of the Legislature which passed the act, in order for the petition to be forwarded by county election administrators to the Secretary of State within 6 months of the adjournment of the Legislature that passed the act.

Filing by County Election Administrators with the Secretary of State

- a. *Constitutional Initiatives and Statutory Initiatives.* Each county election administrator must forward certified petition sheets for filing with the Secretary of State by 5 p.m. of the third Friday of the fourth month prior to the election at which the measure is to be voted upon by the people.

- b. Referendum Petitions.* Certified petition sheets must be forwarded by the county election administrators for filing with the Secretary of State no later than 6 months after adjournment of the Legislature that passed the act.

III. WITHDRAWAL OF SIGNATURES

Signers of a petition may withdraw their own names up to the deadline for submission of petitions to county election administrators. A form for withdrawal has been prescribed by the Secretary of State, and is available at sos.mt.gov/Elections, and from any county election administrator.

IV. CERTIFICATION TO GOVERNOR WHEN PETITION IS QUALIFIED

When a petition containing a sufficient number of verified signatures has been filed with the Secretary of State for a particular ballot issue, the Secretary of State will certify to the Governor that the petition has qualified for the ballot.

VOTER INFORMATION PAMPHLET - MAKING THE ARGUMENTS

I. APPOINTMENT OF PRO AND CON COMMITTEES

Once a petition has qualified to appear on the ballot, committees are formed to write arguments for and against the issue for an informational pamphlet that is distributed before each election to all households with active registered voters. The size of the committees and who appoints them depends on the type of petition. (See 13-27-402 and 13-27-403, MCA.)

- a. *Initiative petitions (constitutional initiatives and statutory initiatives).* A three-member committee supporting the issue is appointed by the sponsor who submitted the petition. A five-member committee opposing the issue is appointed by the Governor, Attorney General, President of the Senate and Speaker of the House of Representatives. The four appointed persons appoint the fifth member.
- b. *Referenda from the Legislature.* A three-member committee supporting the issue is composed of one senator known to favor the measure appointed by the President of the Senate, one representative known to favor the measure appointed by the Speaker of the House of Representatives and one individual (who need not be a legislator) appointed by the first two members. A three-member committee opposing the issue is appointed in the same manner as the committee supporting the issue (but, if possible, members should be known to have opposed the issue).
- c. *Referenda from the people.* A three-member committee in favor of repealing the bill that was referred by the petition sponsor is appointed by the petition sponsor, and a three-member committee against repealing the bill that was referred by the petition sponsor is composed of one senator appointed by the President of the Senate, one representative appointed by the Speaker of the House of Representatives and one individual (who need not be a legislator) appointed by the first two members.

II. DRAFTING THE ARGUMENTS

- a. The original arguments for or against an issue are no longer than a single side of a page. The argument must consist solely of written material prepared by the committee and may not consist of pictures, clippings, or

other material. The written material must be prepared in the font and type style required by the Secretary of State and must be filed with the Secretary of State no later than 105 days before the election at which the issue will be voted upon by the people.

- b. Copies of these arguments are provided to each ballot issue committee, each of which may prepare a rebuttal argument which is subject to the same requirements as for arguments, except that the rebuttal is no longer than one-half the size of the arguments (7 1/2" x 5") and must be filed with the Secretary of State no later than 10 days after the deadline for filing the original arguments.
- c. Supporters and opponents of ballot issues who make factual statements in their arguments and/or rebuttals must provide supporting documents within 2 business days of the deadline for submitting the arguments or rebuttals, as applicable.
- d. Arguments and rebuttals may be rejected if the Secretary of State, with the approval of the Attorney General, holds that the arguments contain obscene, vulgar, profane, scandalous, libelous or defamatory matter, or if the language incites, counsels, promotes or advocates hatred, abuse, violence or hostility toward or tends to cast shame or ridicule upon any group of persons by reason of race, color, religion or sex, or is otherwise prohibited by law to be sent through the mail.

III. THE VOTER INFORMATION PAMPHLET

The Secretary of State prepares a pamphlet to be sent by county election administrators to all households with active registered voters. The pamphlet is also available electronically on the Secretary of State's website at sos.mt.gov and at all voting precincts.

The Voter Information Pamphlet contains, for each ballot issue appearing on the ballot:

1. the statement of purpose and implication,
2. fiscal statement, if applicable,
3. the "Yes" and "No" statements,
4. complete text of the issue, and
5. arguments for and against the issue and rebuttal arguments.
6. The names of the members of the committees who draft the arguments and rebuttals are also included.

Instructions on Statewide Ballot Issue Signature Gathering

Montana Secretary of State Linda McCulloch

Elections and Government Services

soselections@mt.gov • sos.mt.gov

Qualifications of Signers

A petition for initiative, referendum, or to call a constitutional convention may be signed only by a qualified registered elector of the state of Montana.

Qualifications of Signature Gatherers

A person gathering signatures for a statewide ballot issue:

- a) must be a resident of the state of Montana, as provided in [1-1-215](#), MCA; and
- b) may not be paid anything of value based upon the number of signatures gathered.

Specific Signature Gathering Procedures

See below for specific signature gathering procedures. See additional instructions to signature gatherers on the bottom of each petition signature sheet.

Gathering Signatures

- 1) You must be present when the signer signs the petition. Do **not** leave a petition unattended.
- 2) The most common reason that signatures on petitions are rejected is that the printed last name cannot be read. Check to see that the printed last name is legible.
- 3) The signature does not have to be identical to the name under which a person has registered to vote.

However, a signature is more likely to be accepted if it is signed as the person has registered to vote. If the individual is registered with a signature of "Sammy Brown" he should sign as such, not as "J. Samuel Brown".
- 4) Another error occurs when someone signs a petition, and then signs for another person, such as his or her spouse. Such signatures will be rejected. Each person must sign a petition individually.

Appendix

- 5) Check to see that each signer puts in the correct date that he or she signed.
- 6) Signers may provide their telephone number, although for the purposes of matching the signer to their voter record it is ideal for them to provide their residence address or mailing address.

Properly Completing and Submitting the Affidavit of Signature Gatherer

- 1) A properly completed Affidavit of Signature Gatherer must accompany each section of up to 25 petition sheets submitted together at the time of submission to the county election administrator.
- 2) The affidavit must be signed by the signature gatherer and notarized, AFTER gathering the last signature on the petition sheets that you attach to the affidavit.

Do **not** complete and sign the affidavit in front of a notary before gathering the last signature on the signed petition sheet(s) that you attach to the affidavit*.
- 4) On the line asking for the date on which you gathered the first signature attached, be sure that the date accurately matches the first date on the signed petition sheets that you attach to the affidavit.
- 5) Collect and submit signatures from one county per sheet – if signatures are submitted to a county other than the county of the signer’s voter registration, those signatures cannot be verified by a county election office.
- 6) The Secretary of State’s office does not recommend holding petition signature sheets for submittal (unless statute provides that you cannot submit sheets to county election administrators until a certain date); doing so may make it impossible to be able to fix errors that could otherwise be corrected so that the petitions or sections of the petitions are not rejected.

****Note: The affidavit of signature gatherer requires you, in part, to swear that the signers knew the contents of the petition; if you complete and sign the affidavit before asking the signers to sign, you cannot logically nor legally claim that the signers knew the contents of the petition at the time that you completed and signed the affidavit. Never sign the affidavit before gathering the last signature on the petition sheet(s) that you attach to that affidavit.***

Submitting Signatures to County Election Offices

- 1) A list of county election offices can be found online at sos.mt.gov/elections.
- 2) For initiative petitions (*other than initiative referenda*), the earliest date you can gather signatures is **June 20, 2013**. (There is no earliest date in law for initiative referenda petitions to be circulated for signatures, after the petition form is reviewed and approved as provided by law.)
- 3) The **earliest** date that you can submit signed petition sheets (*other than initiative referenda*) to county election administrators is **October 18, 2013**. (There is no earliest date in law for initiative referenda petitions to be submitted to county election administrators, after the petition form is reviewed and approved as provided by law.)
- 4) The deadline for county election offices to **receive** signed petition sheets and affidavits (*other than for initiative referenda*) is **5:00 p.m. June 20, 2014**. (The deadline for initiative referendum petitions to be submitted to county election administrators is 5 p.m. on Friday, September 26, 2013.)
- 5) If it is not possible to submit all signed sheets or sections of petitions with original signatures and affidavits by the applicable deadline above:
 - a copy or facsimile may be submitted so that it is received by the proper county official no later than the 5:00 p.m. deadline.
 - Signed sheets or sections of petitions with original signatures must be submitted within 7 calendar days after the deadline.
 - Failure to submit signed sheets or sections of petitions with original signatures within 7 calendar days will invalidate the signed sheets or sections submitted by copy or facsimile.
- 6) After receiving the petition sheets, county election administrators have up to four weeks to verify the names of all signers on the petition sheets, before forwarding verified petition signature sheets to the Secretary of State for tabulation.
